

La Gamme Beaujolaise presents

DOMAINE GILLES COPÉRET

ANNIE AND GILLES COPÉRET

THE ESTATE

Gilles COPÉRET, artisan-vinegrower-winemaker, who has always been passionate about vines and wines, took over the estate from his maternal grandfather in 1986.

This, truly family-run, estate today covers 7 hectares of vineyards with its buildings set in the heart of the Beaujolais Cru area, in Régnié-Durette.

Gilles tends his vines respecting tradition and using the eco-friendly, integrated Terra Vitis approach, the specifications cover service to the vineyards, the Earth and Man. Entirely devoted to their winemaking estate, Gilles & Annie have been crafting authentic wines for over 30 years.

OUR WINES

appellations on offer:

/ Fleurie

/ Régnié

/ Rosé Bouquet d'En Vie

ENVIRONMENT

Every day for Gilles is one to draw the very best from his terroirs, bringing you excellent wines with personality. He crafts all his wines using the famous Gamay Noir à Jus Blanc grape variety that expresses its personality like nowhere else on our terroirs. "Great grapes make great wines!".

KNOW-HOW

The grapes are hand-picked to ensure the bunches remain whole up to vatting. Because whole bunch maceration is what Gilles is about, he adapts his techniques to the vintage in hand to draw the very best from the fruits that nature gifts him. The wines are matured in cement vats up to bottling.
